TELSTAR REGIONAL HIGH SCHOOL

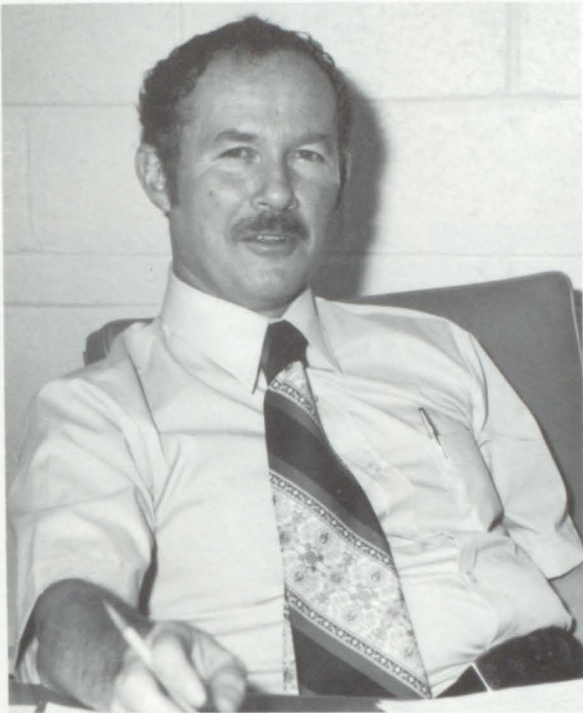

DEDICATION

Mike Brooks was a 12 letterman at Telstar having earned a varsity letter all four years in football, skiing, and baseball. Mike was also named captain and MVP at least once in all three sports he participated in. He was an outstanding fullback on the football team, the New England High School ski jumping champion, and probably the best two-way catcher the baseball team at Telstar has ever had. Mike was a very dedicated person to the entire athletic program at Telstar, but, his unselfishness to his fellow classmates, friends, and coaches will never be forgotten.

— Peter Brown

MESSAGES FROM THE ADMINISTRATION

Superintendent Kenneth Smith

Formal education is a major vehicle for transmitting knowledge, skills, and culture to the population. All persons are affected by the successes (or failures) of those who participate in educational activities.

Education comes in many levels: elementary, secondary, and post-secondary. I believe that a necessary pre-requisite to occupational and economic success is post-secondary education. I strongly urge Telstar graduates to pursue higher education and take advantage of the many opportunities which our state and country have to offer.

Principal Dr. Wayne Gersen

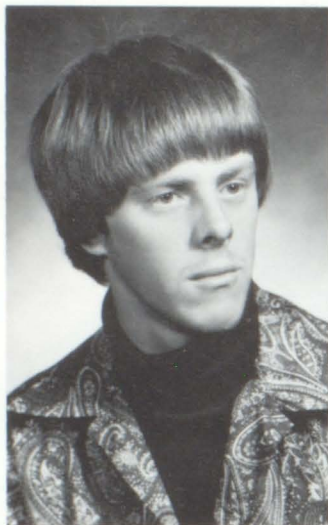

Your teachers and I have worked hard to make your experiences at Telstar challenging and meaningful. We hope that each of you has gained the skills needed to lead a satisfying and productive life, and wish you the best of luck in the years ahead.

SOCCER

1979 was the first year of varsity soccer at Telstar. The first team goal was to win a game. This happened finally at home with a 2-1 defeat of Lake Region. Things began to turn around for the varsity squad about mid-way through the season with a 4-1 victory over Carrabec. Two games later brought an upset of number two ranked Winthrop and some hopes of making the soccer tournaments. The rest of the season saw some closely played games but the big win to put the team into the tournaments never came. Through a vote of the players and coach, Ricky James was chosen MVP, Rocky Myers — defensive player, Pam Lyngholm — most improved and Rick Angevine — best offensive player.

The Field Hockey teams had a very successful season this year with the varsity posting a 12-5 record and the J.V. 5-6-5. With a total of 36 players, the team membership was up, once again. 1979 was a building year (after the graduation of 8 seniors — 6 of whom were starters), and an excellent one with 2 freshmen playing varsity, 1 sophomore, 7 juniors and 6 seniors. The j.v. squad was made up of 2 juniors, 7 sophomores, 11 freshmen. With all this young talent, we are looking forward to a very successful season next fall.

FOOTBALL '79

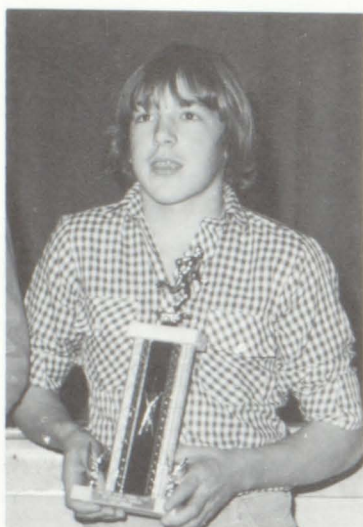

The 1979 football season was a success. Our goal was to make history and we did. Although fate and foul weather stopped us short of being acclaimed State Class D Champions, the Rebel football squad was recognized as the best offensive and defensive team in the conference and finished the season with 8 wins and 2 losses. Thirteen seniors made timely contributions; among them were 3 selected for special recognition: Rusty VanDeursen, Best Offensive Player; Tony Butters, Best Defensive Player; and Outstanding Two-Way Performer and Captain, Russell Palmer, Most Valuable Player.

SPORTS

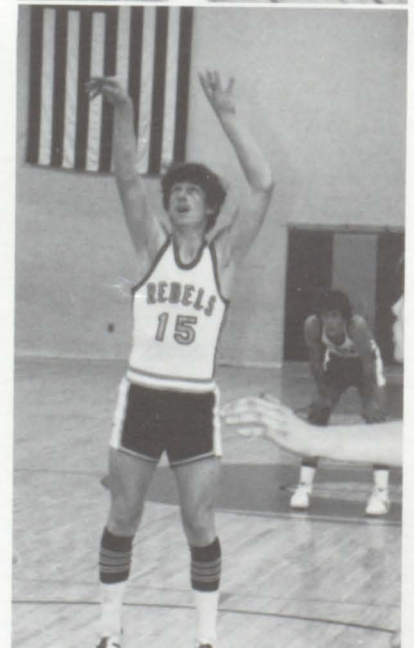

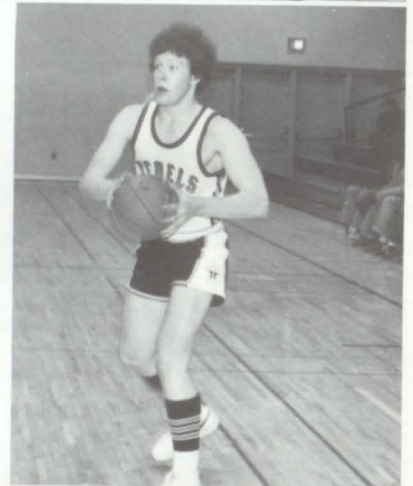

BOYS' BASKETBALL

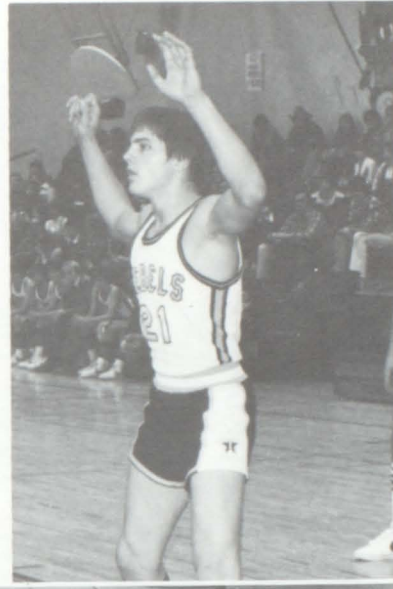

The 1979-80 boys' basketball team finished with a 6-12 record. The highlight of the season was a 57-51 victory over Valley High School in the season's finale. There was much school spirit, excitement and anxiety about the possibility of making the tournaments, which we missed by 1.7 points.

Co-Captains Tony Butters and Doug Webster did a fine job of providing leadership. Their contributions led to the fine "team play" of the Rebels.

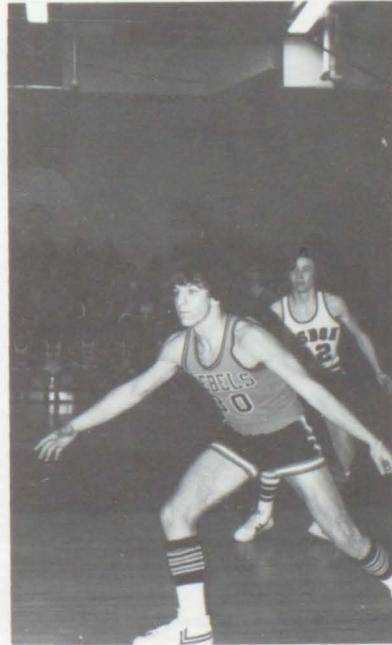

TEAM PICTURE:

Front row: J. Bartlett, B. Douglass, B. Ellsworth, J. Putnam, B. Mills, R. Myers
Back row: G. Durgin, Coach; J. Martin, Manager; R. Croteau, M. Bean, T. Butters, D. Webster, J. Feeney, N. Savage, Manager; J. Lunney

Led by Co-Captains Bruce Clements and Tim Mathews, the J.V. team compiled a 2-13 record, which does not fully reflect the team's ability. The team exemplified an excellent team spirit and desire to improve throughout the season. Soph. Dave Whitman and Allen Connors with Fresh. Dennis Bodemer and John Holmes were the starters and played important parts on the team and showed much promise for the future. Joining with them, Troy Berryment, Mike Otero, Kevin Myshrall, Mike Parker and Eric Clements made valuable contributions this season. Competing with starters, Lee Richardson, Tim Wheeler, Eddie Greenleaf, Larry Poland and Chris Akers round out the team. With time, practice, and developed confidence, the future will be brighter with these young men.

GIRLS' BASKETBALL

Front row: B. Martin, M. Bean, Co-Captains
Second row: Coach B. Buckland, P. Roy, K. Hakala, C. Davis, C. Fiske, P. Davis, B. Smith, M. Merrill, L. Olson, T. Fleet, S. Billings, L. Duguay, C. Fiske, V. Ellsworth

The 1979-80 basketball season was a very rewarding one. Winning six and losing twelve was a great improvement from the previous season of 1-17.

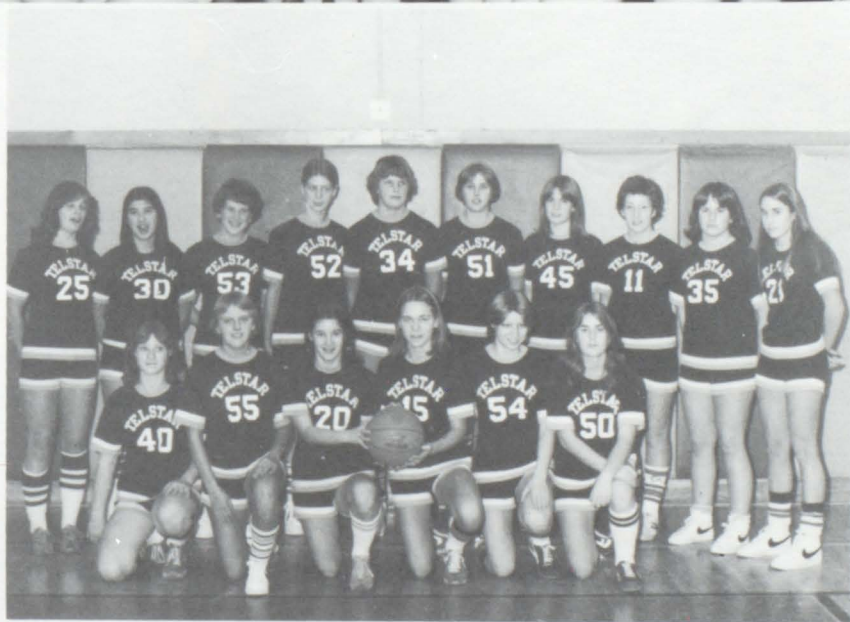

Leading the team in rebounds was Beryle Martin with an average of 11.9 per game. Also in the scoring category, Beryle averaged 9.5 points per game. Helping Beryle out in the forward positions were Suzanne Billings, with a 4.1 pt/game average, Mindy Merrill with a 1.1 pt/game average and Cindy Fiske (freshman) with 5.1 rebounds/game and a 2.1 pt/game avg. Rounding out the forward positions was Alberta Smith and Tammy Fleet.

The guard positions were led by Marlene Bean who averaged a little more than 6 points per game. She was also voted co-captain along with Beryle by her teammates. At the other guard positions were Peggy Roy, a fine shooter, Lynda Duguay, a scrappy and aggressive junior, Karen Hakala (she loves to shoot — from anywhere) and Sandy Friel coming up from the JV's to help in the latter part of the season. With 10 of the 12 Varsity players earning their letters this year, it was clearly a team effort that carried them to their 6 wins.

Our most exciting accomplishment this year was beating our hometown rivals, Gould Academy, twice. Everyone played extremely well at both games.

Thanks go to Kelly Dooen, Carrie Fiske, and Vickie Ellsworth for doing excellent jobs as managers.

We'll miss our four seniors: Peggy Roy, Beryle Martin, Carol Davis and Kelly Dooen.

Student International Service Of Europe

SISE is a non-profit educational organization. Its objective is to promote mutual understanding between people of the U.S. and the people of other countries through student exchange and education.

The realization of this objective is gained when SISE students return home and exercise the knowledge and skills acquired during their exchange visit of approximately ten months and thus strengthen the ties and communication which unite us with other nations of the world.

LILIAN MOREN

Lilian Morén of Ostersund, Sweden arrived in late August to make her home with Myrna, Pam and Lorna Carter.

She has completed her nine compulsory years of Swedish education and is a member of the Telstar class of 1980 for which she receives no Swedish credit toward furthering her education. Upon returning to Sweden, she will attend an upper secondary school for 3 years (which is comparable to a U.S. Junior College or Vocational School). She hopes to have a career in either a travel or language related field.

Lilian arrived with an ideal attitude toward getting the most out of her exchange visit. She willingly has dropped many Swedish ways of life and accepted the American way without rebellion or criticism.

She thoroughly enjoys people and is eager to participate in each new experience or celebration. She can best be described as laughing, loveable Lilian.

ANSSI ANTILLA

August 21, 1979 was a day our family, Tim, his grandmother and myself looked forward to with excitement and a little apprehension. We had only known for about three weeks that Anssi would be joining us. There had been no time to exchange letters.

We had seen Anssi's pictures, read his school record and glowing reports by teachers and friends. We had looked Finland up on the map and read about the country in the encyclopedia but there were many questions in our minds. Would he like living in a rural area? We knew he loved skiing, and sports but Helsinki is a city with half a million people. What about having to depend on others for transportation? Finland has one of the world's best public transportation systems.

What would he think of Telstar High? We are very proud of it, but how would it compare with Finnish schools?

These were a few of the questions we asked ourselves and then there was the big one — What will he be like? Pictures and written reports really tell so little. As we watched the SIS kids leave the plane, my stomach was churning. What if one of those tall superior-looking blondes was Anssi?

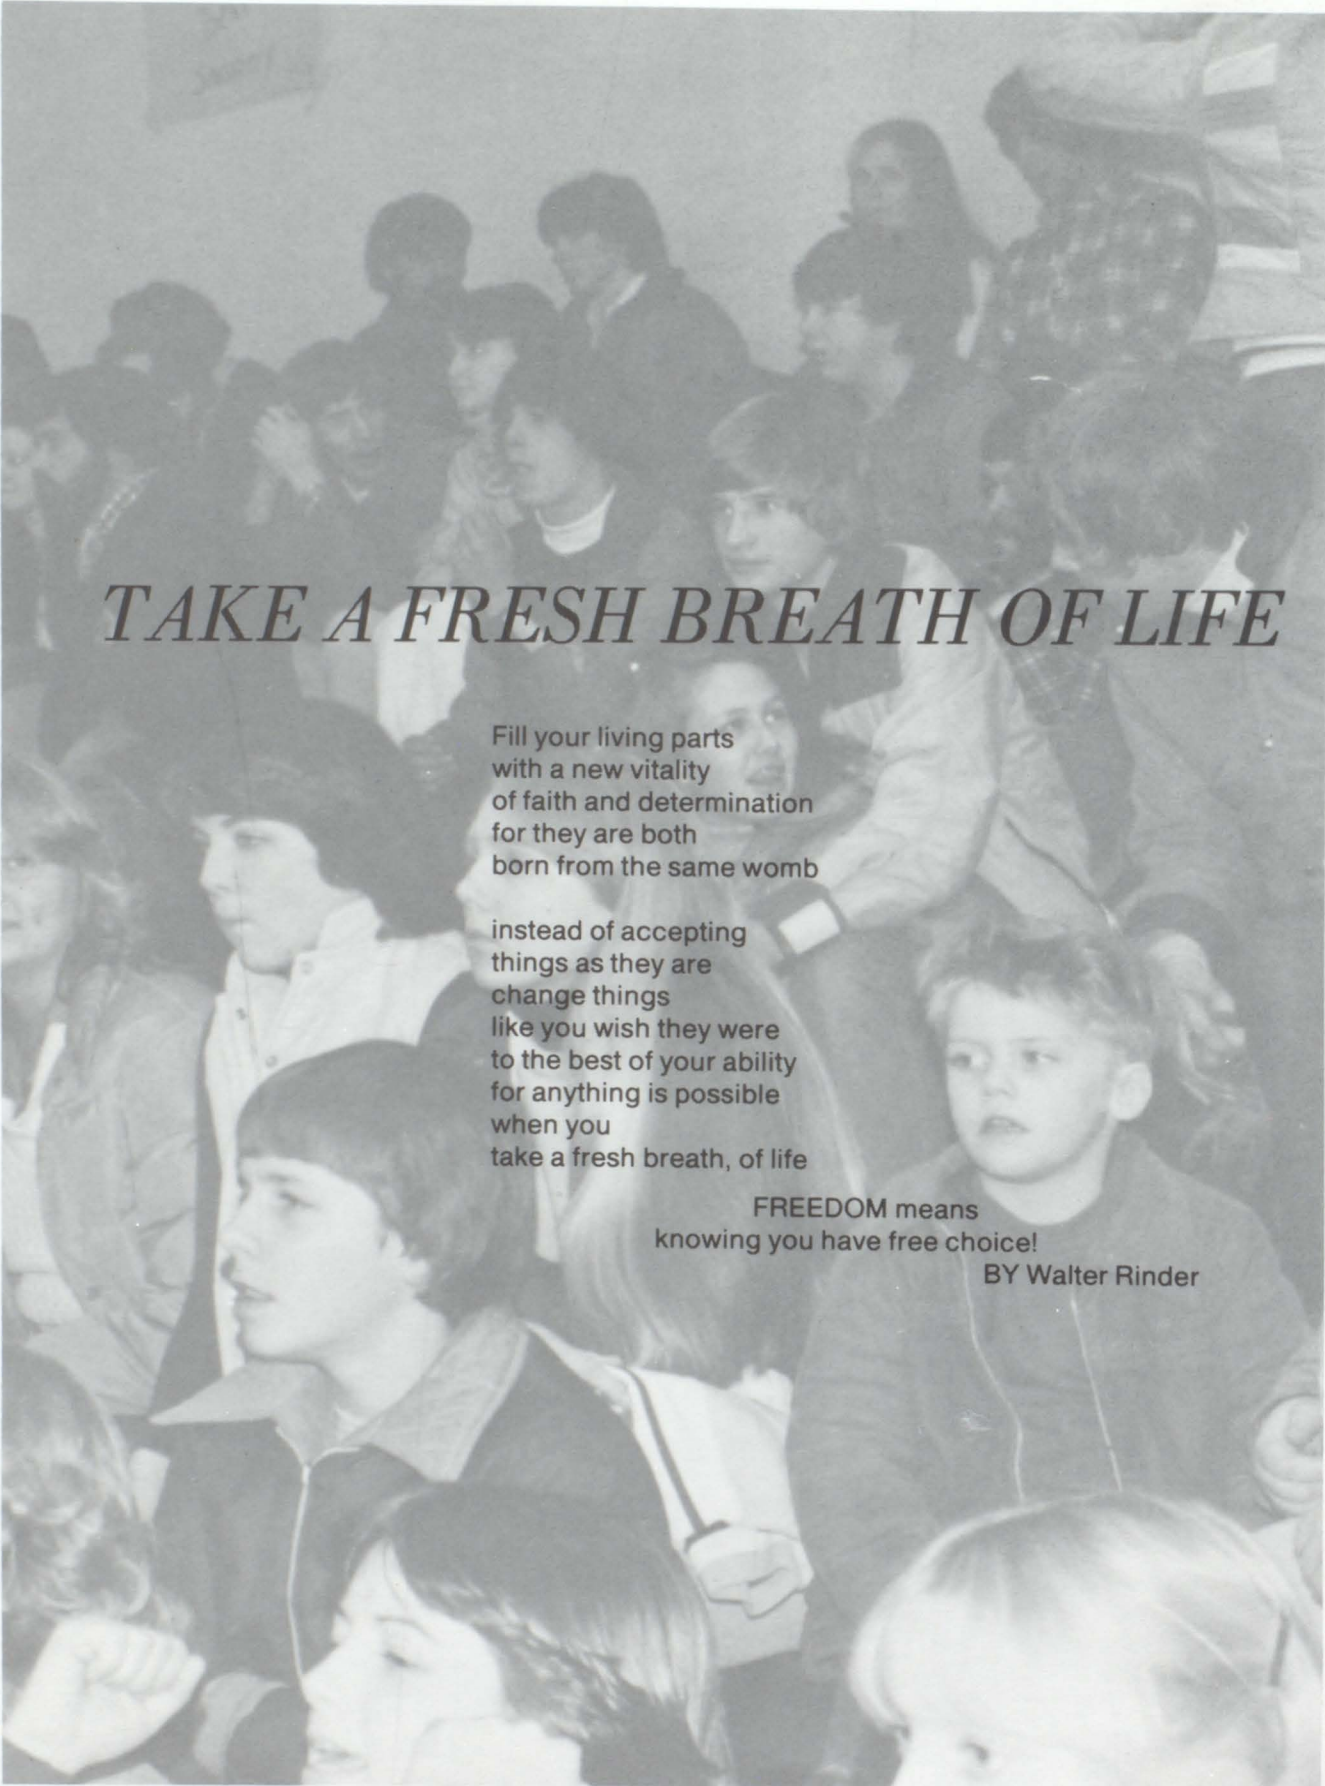

As we stood, holding a large "Welcome Anssi" sign and trying to pick him out of the crowd, a small tired voice said, "Here I am!" What a relief! He looked nice and he sounded nice.

Six months have passed since that night. During these months we have learned much about Finland and I hope Anssi has learned much of our country. He spent February vacation in Florida with his uncle and his father, who was here on business at the time, so he will know about more than Maine.

I know Anssi speaks English much more fluently than when he first came but you'd be surprised at how many new words we have learned while helping him.

I think there have been times when Anssi has been very bored, but homesickness hasn't been any problem. Perhaps, it will be for us when he leaves.

TAKE A FRESH BREATH OF LIFE

Fill your living parts
with a new vitality
of faith and determination
for they are both
born from the same womb

instead of accepting
things as they are
change things
like you wish they were
to the best of your ability
for anything is possible
when you
take a fresh breath, of life

FREEDOM means
knowing you have free choice!
